

VASAKAL EVENT

The construction of **Banke Bihari Temple** is in progress. Recently, the **VASAKAL** event (installation of main entrance door) has taken place (06-Mar-2014), with usual spiritual rights and with great fervour and due honour. The Trust expects to complete the construction shortly and celebrate **Maha Kumbhabhishekam** in a befitting manner, sometime by June 2014.

Our trust member, V.Karpagam, a staunch devotee of **Sri Maha Periva** and **Gurupriya Amma**, owns a land adjacent to the Temple. She has come forward willingly to permit construction of **Dyana Hall** for **Sri Maha Periva** where his **Photo** and **PADHUKA** will be kept for darshan for all devotees. On important occasions, speeches by **UPANYASAKAS** will be arranged and it is open to public. Her family has generously donated a big amount for this work.

At present, the Trust is celebrating **Sri Krishna Premdan Mahatsovam** in the houses of sponsors who donate a minimum of Rs. 5000/- and above. The **Deity Mukundan (Lord Krishna)** will be taken to the houses of sponsors, where songs of Lord Krishna are recited and the Trust members dance blissfully. So far, **90 Mahatsovams** have been performed and the amount collected through this is utilized for the temple construction and maintenance later.
